(Designation) Chief Conservator of Forests

To The Secretary to the Government of Madras,

Development Department.

Sir,

In Government Order No. Ms: 1211, Development Department, dated the 10th May 1938, Government approved proposals for the formation of manure leaf felling series in seven Reserved Forests of the old Mangalore North Division.

2. Although three attempts were made to sell the manure leaf coupes, in each of the seven reserves, only one was sold. The last two attempts to sell coupes have been completely abortive. There is obviously no demand for manure leaf

obtained in this way as the ryots get their requirements from patta and kumaki lands and unreserves.

The scheme may therefore be dropped.
